

Seasonally inspired local food

## Street Food

We love cooking over real fire using wood sustainably cut and seasoned from our own plot in Derbyshire. This together with the charcoal that we use for our spit roast gives a real authenticity to the flavour of pizzas, meats and BBQ's.

**Our pizza oven** is ideal for 60 or more people and can travel to your venue. Enjoy beautiful crisp bases with locally sourced toppings

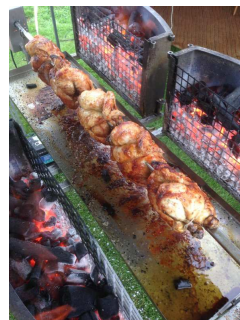

### Vietnamese and Thai Food Stations

Chicken, prawn and tofu with noodles and fresh zingy vegetables and Thia curries with Jasmin rice.

### Spit Roasts and BBQ's

### PJ taste Burrito Bar

Generously filled Mexican Buritos are a great handheld meal in themselves. Chicken poblano, local pork carnita and a wonderful 3 bean chilli (V).

Our meat is locally sourced with choices including beef, pork, lamb, chicken as well as vegetarian choices : crispy sweet potatoes with tahini and yoghurt; and herby paneer parcels.
